THE CHURCH FOR ALL The Church is the greatest factor Wise Men travelled a desert to lay their gifts good citizenship. It is a storehouse

But the King was a mere babe. His court was

a cattle shed; His princely garb swaddling bands. Could they be certain when they knelt by the manger that this was the end of the quest? Their certainty came not of proof but of faith. And through the centuries others have sought the King. Eagerly, earnestly they have come into the reverent beauty of the Church. And there, as ageless Words cast their light in man's darkness, they have known the end of their quest.
